2. INTRODUCTION

2.1 About Planning Department, Government of UP/ Nodal & Coordinating Department, UIDAI Project

Planning Department, Government of **Uttar Pradesh**(herein after referred to as “**Nodal Department**”) is the **Nodal & Coordinating Department**for Aadhaar Enrollment in **State of Uttar Pradesh**. **Commissioners of Administrative Divisions** are **Registrars for the Aadhaar Enrolments in Uttar Pradesh**. **Commissioners of administrative divisions** shall invite **Bids**. The **Bids** will be submitted to the **Registrar i.e. Commissioner** in whose **jurisdiction** respective district falls. **Registrars i.e. commissioners of all administrative division** shall evaluate **Bids**, select **EA** and enter into agreements with **Enrolling Agencies**. The **UIDAI project in State of Uttar Pradesh** was implemented through **NPR** under **RGI** and some **Non-State Registrars** earlier. The enrollment done by these agencies is roughly **5.49Cr**. Now the project will be implemented by **Government of Uttar Pradesh** through **Commissioners** to enroll the balance residents of **State of Uttar Pradesh** as per **UIDAI standards and guidelines**. **However** ongoing enrollment by **Non State Registrar** will continue as usual.

2.2 About UID Project

The Government of India (GOI) has embarked upon an ambitious initiative to provide a Unique Identification (called Aadhaar) to every resident of India and has constituted the Unique Identification Authority of India (UIDAI) for this purpose. The timing of this initiative coincides with the increased focus of the GOI on social inclusion and development through massive investments in various social sector programs, and transformation in public services delivery through e-Governance programs. The Aadhaar has been envisioned as a means for residents to easily and effectively establish their identity, to any agency, anywhere in the country, without having to repeatedly produce identity documentation to agencies. More details on the UIDAI and the strategy overview can be found on the website: <http://www.uidai.gov.in>

To ensure the widespread implementation of the UID project needs the reach and flexibility to enroll residents across the country. To achieve this, the UIDAI proposes to partner with a variety of agencies and service providers (acting as Registrars, Sub-registrars and Enrolling Agencies) to enroll residents for UID. By participating in enrolling residents, registrars and enrolment agencies across the country would be part of a truly historic exercise, one which can make our welfare systems far more accessible and inclusive of the poor, and also permanently transform service delivery in India.

In this context, the Registrars shall engage EA's for carrying out the various functions and activities related to Aadhaar enrolment such as setting up of enrolment centers, undertaking collection of demographic and biometric data for UID enrollment and any other data required by the Registrar for the effective implementation of their projects. This Request for Quotation document is intended to invite bids from only those EA's which are empanelled by UIDAI for undertaking demographic and biometric data collection for enrolment of residents for Aadhaar enrolments.
